

**MINUTES OF THE MEETING OF THE HAVERSHAM CUM LITTLE LINFORD PARISH COUNCIL HELD  
AT HAVERSHAM SOCIAL CENTRE ON MONDAY 21<sup>st</sup> September 2015 at 7.30pm.**

2015/04/14

**PRESENT.**

Cllrs Burgess (Chair), Furniss, Gibbons, Neal and Watson. Ward Cllr Green.  
Clerk J Vischer. Members of the public: Mr. Godber

1. **Apologies**

2. **PUBLIC FORUM**

Mr Godber asked if the Parish Council was aware of the activity at Linford Court where the builders on the planned works appeared to be amassing a very large heap of soil and knocking down a garden wall in order to extract it. Clerk to report to Building Control. Clerk

3. **APPROVAL OF MINUTES**

The minutes of the ordinary meeting held on 20<sup>th</sup> July 2015 were approved. Proposer Cllr. Burgess, Seconder Cllr. Gibbons. Unanimous.

4. **COUNCILLORS DECLARATION OF INTEREST on any matters pertaining to this agenda**

Cllr. Neal regarding Allotment gate item 7.

5. **MATTERS ARISING FROM PREVIOUS MINUTES**

a. **Website** – The clerk had instructed Kit Happens to purchase a new domain name on behalf of the Parish. At £25 even though more expensive than some quotes it meant that the host was managing the service and not having to be the responsibility of the clerk, ensuring continuity for the future. David Vallance had been in touch to apologise for not actioning this a fortnight ago but would do so straightaway, This would mean that the new website would be ‘live’ in the next few days. Final modifications could still be made. Clerk

b. **SID's** – No update Cllr. Gibbons

c. **Bids for section 106 funds – possible church access; play/exercise equipment.** The Chair had met with Revd Caddell and discussed the proposed entrance alterations. This comprised taking up the existing floor tiles in the porch and relaying them at a higher level. The external footpath was not now going to be altered. The Church was looking for a reduced £3,000 grant. More information on the details of the floor were awaited, not least regarding suitable drainage of excess rainwater as the porch faced into the prevailing wind.  
The clerk had received a quote from MK Council for the play equipment which showed a huge variation between rubber mulch and grass matting. It was agreed to verify that the quote included the purchase of the equipment and not just the installation. *[post-meeting note: the quote had been for installation only]*

d. **Former Anglian Water land behind Brookfield Road – proposal to amend the PC Title (BM142461) so that it refers to the covenants of the 1950 Conveyance.** The clerk had spoken directly to the solicitor, at the end of August, who had apologised for not getting back to the clerk stating that he had not received the various messages. He went on to say how he would respond right away by email. No email had been received in spite of a reminder being sent last week. It was agreed that the clerk should telephone him again and make it clear that councillors were most unhappy with his service. Should no response be heard within a fortnight it was agreed to find a new solicitor. Clerk

e. **Land Registry rectification** on BM 338140 (Rec. Field) – Ongoing.

f. **Proposed Car Park** – The official start date, 24<sup>th</sup> August, had passed with no action; no information had been received.

g. **Greyhounds kept at No 15 the High St** – no update received. Clerk
